

Cyber Security

***Protect
Your Data***

Jonathan Harris, owner of Protech Computer Innovations, LLC, will host two FREE classes on how to perform data backups. He will also share information on free and affordable programs that will keep your personal information secure.

Protech Your Data, Part I

Friday, January 11th

11 AM – 12 PM

*Part I will highlight personal data

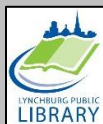

Protech Your Data, Part II

Tuesday, February 12th

3 PM – 4 PM

*Part II will highlight professional data

Harris holds an AAS in Electronics Technology and has eight years of experience in both system administration and computers repair/troubleshooting. Both classes will be held in the Community Meeting room of the Lynchburg Main Library and are free and open to the public.

Please call 434-455-6318 to register.

Participants are welcome to bring their own laptops, but it is not required.
